I am a UK taxpayer and would like Sense About Science to reclaim tax on this and future donations

* First line of address and postcode are essential for gift aid.

I understand the charity will reclaim 25p of tax on every £1 that I have given. I confirm I have paid or will pay an amount of income tax/capital gains tax for each tax year that is at least equal to the amount of tax that all the charities and CASCs that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and council tax do not qualify.
